

MIDDLE SCHOOL CAPTAIN'S COUNCIL NOMINATION INSTRUCTIONS

Being a Team Captain is a big commitment, one that should not be taken lightly. Should you be chosen/elected to be a captain of your team, you will automatically be a member of the Captain's Council. As a team captain and Council member your roles will be varied. In addition to your work "on the field/court," you will be expected to attend five lunchtime forums for discussion on leadership, role modeling, and discipline, as well as share ideas and comments.

This program serves to increase communication between student-athletes, coaches, student body and administration as well as provide leadership opportunities for Middle School student-athletes. It is the hope of the Athletic Department, that by the end of your season, you will have the necessary tools to be a positive role model and effective leader in our community.

To apply to serve on the Captain's Council please complete the attached form and return it to Jenn Adams **at least two days prior** to "Voting Day."

*** If there is someone on your team you feel would make a great captain, please encourage them to apply.

- A student may serve on the Captain's Council **ONE TIME** per school year.
- Each team will elect 2 Captains (this includes non-competitive programs). One Captain is elected by popular vote (your peers), the other by the Captain's Council Committee.
- Captains will be announced, by the team coaches, the day AFTER votes are cast.
